I. Opening Remarks and Introduction

The BAC secretariat introduced the BAC members to the body and all others present.

Call to Order:

The meeting was called to order by BAC Chairperson Engr. Reno John S. Tuale after a quorum was declared at 10:00 a.m.

Reading and Approval of Previous Minutes of Meeting:

Minutes of BAC meeting on December 21, 2021 was read and approved on the motion of BAC member Marcelino L. Lalamonan duly seconded by BAC member Leo Esco.

II. PRE-BID CONFERENCE

There were no suppliers and observers who attended the pre-bid conference. The BAC Chairperson, Engr. Reno John S. Tuale reiterated that the BAC will allow interested suppliers to join the pre-bid conference but only those suppliers who purchased the bid documents will be furnished with a copy of the minutes of the meeting.

BAC Chairperson, Engr. Reno John S. Tuale, discussed further the details on the Invitation to Bid as well as the instructions to bidders pertaining to ITB2021-004.

The BAC discussed the details of the various chemicals for water treatment use for the FY2022 as per ITB 2021-004 with PR No. 2021-12-00170.

The following matters were discussed:

- For item no. 1 – preferred brand is NISSO HI-CHLON 70 GRANULAR (Blue Package) since it has showed effective disinfection by producing stable dose and suitable residual chlorine levels in the water product of Bayawan Water District and provides higher cost efficiency.

Moreover, the BAC Chairperson, Engr. Reno John S. Tuale, discussed the details on the Invitation to Bid as well as the instructions to bidders pertaining to ITB2021-005.

The BAC discussed the details of the various materials for operation use for the FY2022 as per ITB 2021-005 with PR No. 2021-12-00173.

The following matters were also discussed:
